Someday, I will look back with fond memories
At this town where I spent my time and realize
The importance of this city that I called my home.

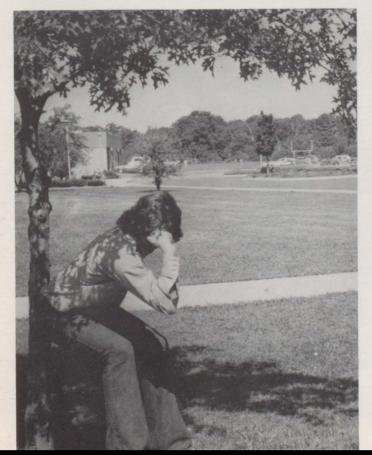

As the first days of summer arrive I often feel
A special need to be free and unrestrained.
My mind wanders far from the classroom
To thoughts of summer vacation just around the corner

I am a person of many varied moods; A mixture of happiness, sadness, ambition And even an occasional bit of devilment.

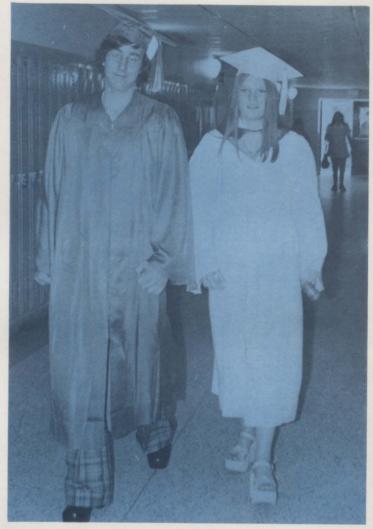

Often school and studying seem Secondary to extracurricular fun

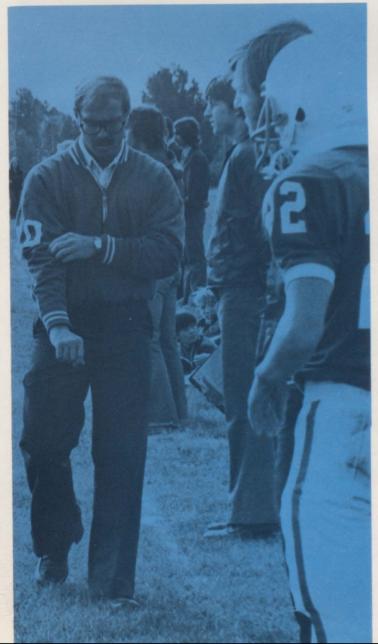

Although at times I have to study I look forward to football games, Sunny afternoons and graduation.

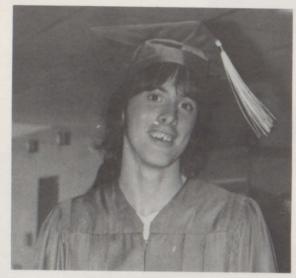

As I grow I begin to see the many Different facets of high school life

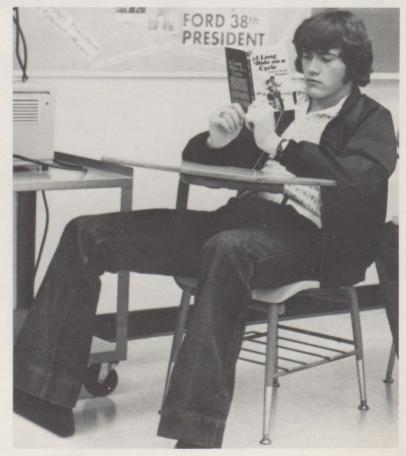

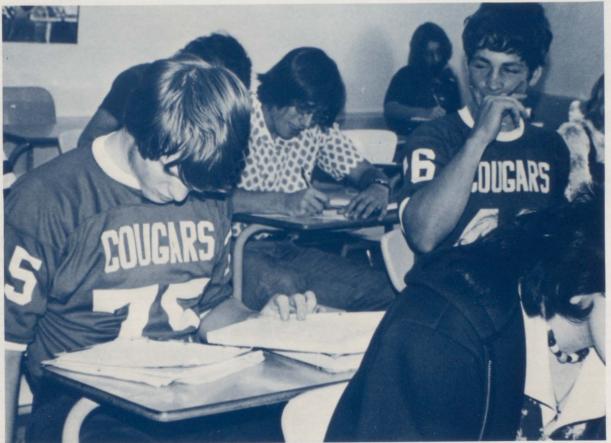

I will remember cries of "Go Cougars go,"
"Did I finally make it?" "Sell magazines,"
And "What's the answer to number eleven?"

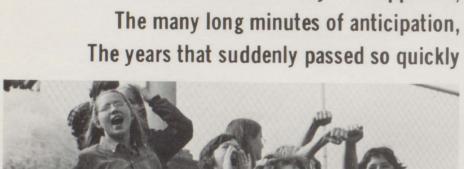

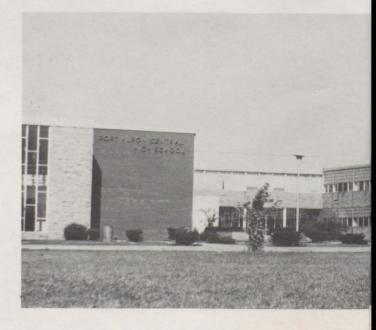

As my life at Central comes to an end I will remember the days of happiness, The many long minutes of anticipation,

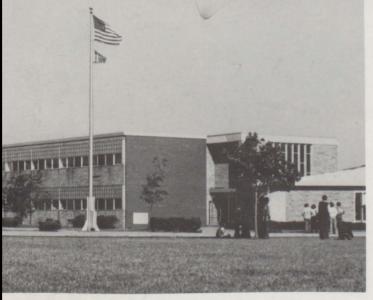

FACULTY 1975

Board Of Ed Struggles Through New Year's Problems

The Board of Education encountered a lot of unsolved problems this year. They had to tackle the business of contract disagreements with both the Building Administrators' Association and the Educational Secretaries' Association. They also took action to stop the flow of vandalism in the District, and discussed the advantages of thirty-eight credit graduation requirements.

We would like to welcome Carl Schwedler to the Board, and also the newly appointed David R. Winfield, and Douglas R. Austin. Dr. Robert R. Coulter has just completed his fourth year as superintendent of schools.

A Better Place

Without the administrative staff and the secretaries Central might be faced with choas. When ever money is on your mind, Mrs. Willard is the one to see. If you are constantly tardy, Mrs. Whitford, the attendence secretary, has probably become a common sight. In the library you will find Mrs. Amadon assisting the librarian every afternoon. Mrs. McLeod serves as Mr. Pierce's secretary. Central is headed by our principal, Mr. Pierce, and our assistant principal, Mr. Goldsworthy, who is affectionately known as Shorty by many.

Our Bark Is Worse Than Our Bite

Students complain on a day to day basis about how crabby their teachers are. But the students don't realize what a rough time the teachers really have. No one but a teacher would know how important a well-run class is. Often the teachers are forced into their moods. One of the teacher biggest gripes according to Mr. Cristick is "when a student just takes a class because he or she has to and does nothing but cause problems and disruption." Mr. Repp says his biggest complaint is, "getting up in the morning."

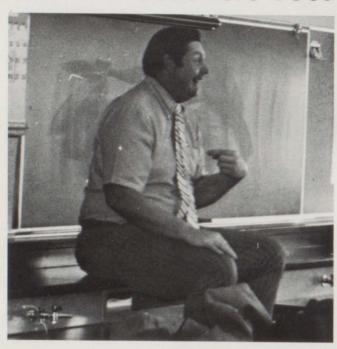

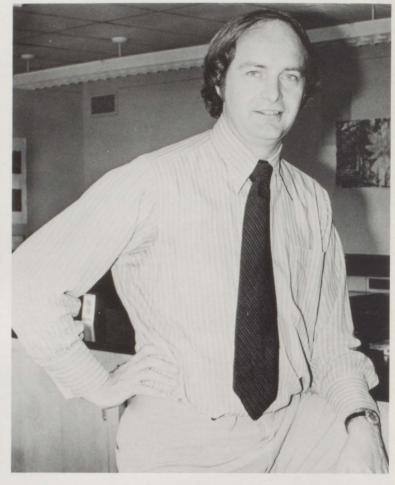

Rewards Are For Teachers Too!

Rewards come in many shapes and sizes. Some can be small in size but a reward is a reward. The most rewarding part of teaching for Mr. Renner is "When a student gets a complete understanding of a concept." When a student underderstands a certain subject his most fearful problem had just been solved. Understanding seems to be the great conflict between generations. Most teachers agree that the "students themselves" are great rewards. "Getting to know a student as an individual, not as a student." seems to be a good reward for Mrs. Allen.

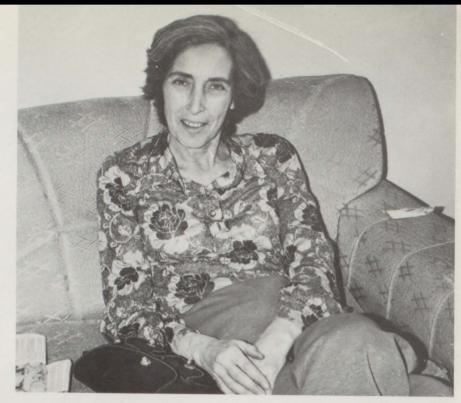

Left: Mr. Repp grins knowing that the students are great rewards. Marty Grace and Bob Rainey know it's true. Below Left: By the expression on Mr. De-Vaults face you would think he didn't like students. Now, Now Mr. Devault.

Inflation Hits Teachers

Top: Mrs. McPharlin isn't going to let anyone snatch her purse while inflation is present. Above: If Inflation means bringing your lunch to school, Mrs. Whitaker is joining in the fight against it. Right: Mr. Nolte saves money by reading a magazine he borrowed from a student. Oposite Page Left: Inflation has hit P.H.C., even the teachers have to count their pennies.

Inflation has hit everyone, including the teachers. Not only does everyone have to cut down on extra's but also a few of the necessities. Luckly, people (at least most) still have enough money to spend on such things as food and drink, and also such extras as magazines, ice cream, and a movie now and them. Most people still have an optimistic outlook on the future, but very few have a solution. Miss Langan says "If I knew how to solve inflation, I would be President of the United States, instead of a teacher. "Mr. Repp seems to think the only way to solve inflation is to "burn all money." Mr. Heering said "To solve this problem it's going to take some hard work from everyone. Inflation can perhaps be solved by the American people getting together and thinking of the other fellow and the good of all instead of everybody trying to grab as much as they can.

Spirit Makes A Stronger Feeling

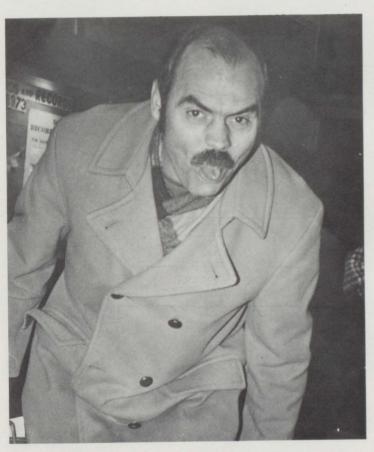

School Spirit has increased this year not only among the students but also among the teachers. This year more teachers showed their spirit by dressing up for the spirit week plus going to the games to cheer the team on or to boo the fans from the opposing team. Not to mention the referees. Even the teachers felt that everyone had a better attitude toward their school. As Mrs. Campbell put it, "I think the spirit had increased. It has taken four years but finally we are exhibiting school spirit. I can see a great deal of difference in students attitudes this year over last year."

"Perhaps because this is the first year that the seniors have been here all four years has helped." Mr. Dickinson also said "School spirit has increased because of the fact that this is the only high school they have had." Having school spirit helps make everyone have a stronger feeling of belonging to the school.

Have you ever thought what it would be like without any custodians to clean up after us in the halls and the classrooms? Or how about having to bring a sack lunch every day instead of going in line, picking out what you want and paying for it, because we don't have any cooks to prepare it for us. Did you ever realize how much these people do for us? Without them our whole life style would be changed. Just think...without cooks you might have to get up fifteen minutes earlier, so you could make your lunch, or have your sandwich be just a tiny bit stale, because you had to stay up the night before to make it. How about staying after school to clean up after a bunch of students. Our custodians and cooks do a lot more for us than we realize and we should all be glad there's someone to clean up after us since most of us wouldn't like to it ourselves.

Dance Attracts Record Crowd

TOP RIGHT; Newly crowned Queen, Cheryl Simpson, is Central's first queen to be on the court all of her four years at Central. RIGHT; TOP ROW, LEFT TO RIGHT; Carolyn Cowan, Jane Ureel, Laurie Guest, Queen Cheryl Simpson, Ralene Lautner, Shawna Forman, Karen Phillipe. BOTTOM ROW; Mollie Chandler, Lorraine Card, Gwen Mc Millian and Beth Willing. ABOVE; The long anxious wait is over as Janet Lund crowns Cheryl Simpson, Central's 74-75 Homecoming Queen.

The excitement, the anxiety, the happiness and perhaps even tears were all part of this year's Homecoming. The thrill for this year's Queen, Sheryl Simpson, came in more then just one form. Not only was she the first girl to be on court all four years of high school, plus make it for queen, but also Central's first queen to go four years to Central. Stephanie Reynolds revisited Central to announce our Queen, who is her younger sister. Everyone present was honored to be a part of Central as they saw and remembered how far our school has come since it first opened four long years ago. Overall there was a lot to remember about the dance, not only for the Queen and Court, but for all the students of Central.

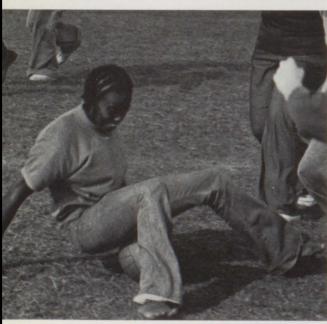

TOP LEFT; Stephanie Simpson Reynolds sits with the newly crowned Queen, her sister Cheryl, and recalls memories of when she was Central's first queen. LEFT; Nervous and excited Stephanie Reynolds opens the envelope with the surprise we've all been waiting for... This year's queen, while Janet Lund looks on. ABOVE; Cheryl Simpson and her escort, Tom Peacock, danced after the thrilling moment when Cheryl was crowned.

Spirit Will Always Be

TOP RIGHT; Marcie May and Marty Langolf put the finishing touch to the float for the Homecoming Court to ride on. RIGHT; Buddy Sutherland is putting everything he's got into the sack race and doing his best to win for the Sophomores. ABOVE; Patsy Chapman shows her talent in the soccer game as she misses the kick.

Sliding in the mud, getting egg all over your jeans and laughing it off is all part of Spirit Week's outdoor activities. Whether you're a Senior trying to save face or a Freshman trying to gain ground, it's all fun. Whether your first or last, everyone gets into the spirit trying to help pull their class through the toughest class competitions of the year. No one seems to care if they lose but instead keep everyone's spirit up by cheering and chanting their team on, or booing the referee, when you feel he's out to get your class. All in all, it's fun and everyone's ready for next year, saying "Next year we'll be first!" The Juniors proved to be the strongest with Seniors close behind then Sophomores and last but not least, Freshmen.

ABOVE LEFT: Doug Richard for the Sophomores and Marty Fernandez for the Juniors compete in the egg toss trying not to have butter fingers while anxious classmates look on. LEFT: Here it's a race between the Juniors and Seniors as they both try to get ahead in the 3 legged race. Robin Haas and Doug Richards race for the juniors. The Goblins Will Get 'Cha If You Don't Watch Out!

TOP RIGHT; Everyone was seen in a new light on "Fifties day" as you see here with Diane Dazer and Ray Ulrich. RIGHT; Catching an Indian by a surprise attack is hard but it was done to Indian Cindy Nicholas. ABOVE; Taking a coffee break in her p.j.'s is Student Council President, Cathy Pattinson.

Trying to get over the Monday morning blahs, students came to school ready for bed! From long bathrobes to p.j.s, students were equipped with curlers and toothbrushes. Tuesday brought back memories as "The Marvelous Fifties" were relived. The Pharohs, our own greaser group, were hip making passes at all the chicks. People were really on the warpath Wednesday. It was Cowboy and Indian Day. Everyone from John Wayne to Sitting Bull was here. Between Indians scalping the Cowboys and them shooting the Indians, everyone was definitely in the spirit. For Central, Halloween began at 8:00 a.m. Tricker treaters came to school dressed creatively. Included were the ever popular devil and Santa Claus. We all had a chance to get our letters to Santa in early. The whole week was a lot of fun.

TOP LEFT: "The Wedding March" with 1st Prize winners Mr. and Mrs. Dracula or Judy Clubb and Ken Reilly. LEFT: Watch out for Jim Alloway, he's looking for donations. ABOVE: To help the rooster adjust they show it a familiar face of a cowboy or girl as the case is here with Janet Burney.

Student Council Meetings Swing Into Action

TWO PICTURES ABOVE: Concern and questions are on the faces of representatives. BOTTOM RIGHT: Parliamentarian, Corky Lawrence, helps run Student Council meetings.

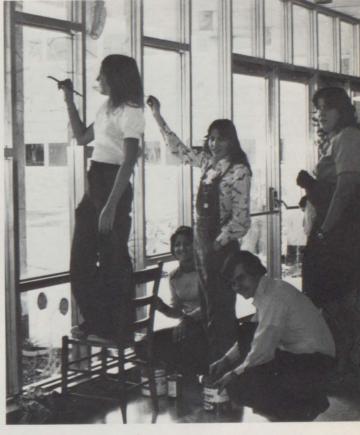

"This meeting is called to order" are words that any Student Council member hears frequently. In the course of a hour, in which they meet, many things are discussed, from activities to have to problems of the school. Hard work goes into preparation for the meetings and committees are always meeting to organize activities at any available time. No matter if your a officer or a representive listening is a big part of the role you play. It's a must to make you capable to vote for what's best for the school as a whole. No matter what, their goal is always the same...to make Central a better place to be.

MIDDLE RIGHT: Homecoming has added excitement as Alex Karas, the famous football player, Frank Gifford, the exciting announcer, and our own Ex-Pres., Richard Nixon, who flew in right from his hospital room, joined us to introduce this year's Homecoming Nominees. BOTTOM RIGHT: Paula Fernandez soon learned hard work was the only way to make a magazine sale a success as she helps Steve Forbes collect his prizes. Centralian Staff Strives For No. 1

The 1974-75 Centralian has had its difficulties this year. With inflation being the main problem several other small problems came up. Gas prices zoomed up so it was hard to go out and get advertisments. Also businesses and patrons just couldn't afford to advertise because they didn't have the money. Inflation has even made the price of the yearbook go up. Because of this, the staff has tried to make the book even better than before. Staying after school to finish up layouts and going to class to class wondering whether or not the deadline was going to be on time made the students put forth their best effort.

The Cooperative Education program is designed to develop students in their area of interest as well as earning wages and determining a student's suitability in a particular occupational area. This also allows the student to make a transition from school to work in a supervised and controlled setting, and develop proficiency in judgmental and decision making situations. This year our Co-op program consists of about 65 students working at places that vary from McDonald's to Maynard Packing Co.

P.H.C. Chamber Choir Performs "Vivaldi Gloria"

The members of the Chamber Choir, for their main performance of the year presented the "VIVALDI GLORIA," directed by Harry Krause. Several members of the International Symphony accompanied them with stringed instruments. The Choir has performed several times on T.V. 8, at the Fogcutter, and for many clubs and organizations in the area. They have traveled to different schools in the state to compete with other Choirs and have received high honors.

Acapella Choir Sings Out For Central

The Acapella Choir had a busy year. They performed their "Christmas Caberet" at Central, and it was shown on T.V. 8. The Choir, under the direction of Harry Krause, sang for the students of Wadhams, Allendale, and Michigamme schools. Several members of the choir will be participating in state competition in Flint this year. The Girl's Choir finished their second year at Central, and performed at different schools in the area. The Girl's Choir was changed to the "Freshmen Mixed Choir," for second semester.

Percision is the key to the Royalette's routines. To get eighteen girls to do the same thing at the same time is much harder than it appears. To prepare themselves for their performances they begin practicing in August. During the school year the girls practice three times a week after school until 5:00. According to Mrs. Eastman, the sponsor, it takes the girls at least two weeks to perfect a single three minute performance. Aside from performing at all home football and basketball games, and pep assemblies, the drill team helps out at banquets and open houses. In February, the drill team served as hostesses for the North Central evaluating team at their banquet.

What's it like to have to go out and find something to write about for this month's issue? What would happen if there was no news to talk about? Well, knowing the Cougar Chronical staff they would go out and make some news just so they could write about it. But have no fear. At Central there is always something to write about.

Band Brightens P.H. Central

The Honors Band began the year actively by performing at all home football games under the leadership of it's new drum major, Bob Brown. In addition they led the traditional parade from the high school to the stadium before the homecoming game. In December the Marching Cougars led the Christmas parade in Sarnia, which involved bands and other units from the United States and Canada. During concert season the Honors Band presented concerts in December, March, and May at the school while also participating for the first time in a Michigan School Band and Orchestra Festival. In April the band combined with five other bands in the Blue Water Band Festival in Algonac.

Local Talent Explodes

The Jazz Band at Port Huron Central this year has really done and gone many places. They have participated in many of the community functions. In December and May, they joined the other two bands and added even more to the concerts. February 25th the group went to the N.C.A. Banquet which they were really proud of. There is also another event which they perform at, the C.M.U. Jazz Festival, which was held in April. To help other younger kids decide if they would like to play in a band, they make an appearance at many of the lower grade schools.

Cadet Band Complements Music Progrm

For just the first year of high school band, the Cadet Varsity Band has participated in many school functions and has performed in the Christmas and Spring concerts. Several of these students also joined in with Honors Band to help promote more school spirit at the basketball games and pep assemblies. To help get the interest of students in lower grades, the band has gone to perform at Chippewa Junior High and Lakeport Elementary.

Pep Club Expands The Spirit Of P.H.C.

Rousing spirit, selling refreshments, keeping the fans happy are the Pep Club's main goals through the year. When spirits are down they have assemblies, sell pennants, buttons or anything that they feel will help people get into the mood. Recruiting people starts at the beginning of the year. The only requirements are to have lots of spirit and be willing to help sell refreshments at the game. They have fun, So it makes everybody feel its worthwhile.

This past year has been a busy one for the parents in the Booster Club. They've done many different things to help earn money to help get a weight machine for Central's gym. Popcorn was sold at the games and cushions to help keep you warm and comfortable were sold. A 50-50 drawing was held, with Mr. Emerich the winner and another one in March. They've been busy this past year and all their work goes into things to help Central become a better place to be.

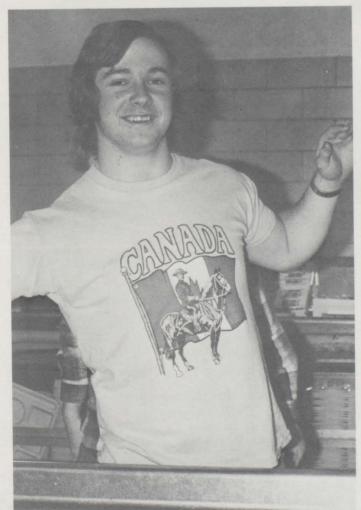

Varsity Goes Co-Ed

Varsity Club began meetings this year in December. Officers elected at the time were; Pres., Tom Gleason; Vice Pres., Rich Mancini; Treas., Carl Schultz; Sec., Adrienne Eaton. February was Membership Drive Month and initiation took place the first week of March. As usual the club made money by selling refreshments during home basketball games and wrestling matches. They also sponsored a record dance after a basketball game. Members must have earned their Varsity letters to join the club.

Football is a game of variety. A player finds out soon, that on the field, one runs into a different situation in every play. In a split second, a good football player must make up his mind, of which way to turn, how fast, and when. This ability of reasoning and acting varies tremendously with different situations a player runs into at different games. Even though our Varsity Team didn't hold a 9-0 record, we can all agree, that they should get a lot of credit for the effort and work they put out this year, both on the field and at practices.

After a slow start losing 2 out of their 3 ball games Central's Freshmen football team finished the season by winning their last 5 ball games. They outscored their opponents 120 to 8 in the last 5 games. This is the best record (6 wins 2 loses) of any Central Freshmen football team. The slow start can be attributed to a lack of Junior High Athletic program.

P. H. C. Cougars Put Their Best Foot Forward

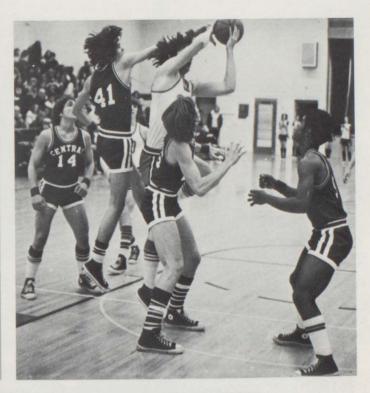

The Varsity Cougars had a tough season but the support of the fans encouraged them to go on the win the first game in the District Regionals. The score of 61-41 enable the Cougars to go on to play Marysville. Central was defeated with a score of 51-42. Central will be losing a few players who were outstanding but with the advancement and growing talent of Central's J.V. and Freshmen teams the years ahead will be better than ever.

Experience And Ambition Put J.V. Ahead Of All

The 1974-75 season was not as rewarding as the Junior Varsity team expected. The team came on strong at the end of the season. All together it was a team effort but there were some outstanding players, Joe Glombowski, Jim Swick, and Keith Vernon. The turning point of J.V. Basketball was the game against Chippewa Valley. This was the first win. After that the team played well. When asked, Mr. Repp said he prepares his team physically by running them through calisthenics. Mentally he prepares them by telling how good the opposing team is but knowing our team is better brings the outcome of the game in our favor.

Pride Plays A Big Part With Frosh

The Freshman Basketball team of 1975 gives us promise of good things to come at PHC in future years. The team made tremendous progress during the year and six of the nine losses, were by a total of 23 pts. There is great potential for size in future years at PHC, as one game was started by 5 players who averaged 6'1". The highlight of the season was the 51-45 victory over arch rival Marysville before a large turnout of fans in our gym.

The basketball program was expanded this year to include a junior varsity team. We also played twice as many games. Our schedule included a City Tournament with Port Huron High, Port Huron Northern, Marysville, and ourselves participating. We played against each team in the league twice. The girls took on some money making projects to finance a summer camp program for as many girls as possible. We sold carmel apples in the fall and Cougar pencils throughout the rest of the year.

The wrestling team had a hard luck year. We were 5-1 in the league. In the City Champions we had more champions than any other school but, we still lost. We had one wrestler, Mike Miller, who was undefeated until he hurt his knee in the SCAL Finals. In the SCAL Meet we came in 4th place. Richard Kilbourn qualified for State Finals.

The Cougar track team had a very successful season in 1974. The individual improvement of the team members contributed to the success of the team. Of the eight school records broken this year, the mile relay team of Mike Bodeis, Doug Cheedie, Mark Sanford, and Tom Gates with a time of 3:30.1 probably will be the hardest to break.

The highlight of the season was the 1st place trophies won in the Regional and City Championship Meets. A new track award in memory of Mike Grain, member of the 1974 track team, who died prior to his graduation has been established. The award will be given annually to a track member who best exemplifies in scholarship, dedication, and achievement.

Young Golf Team Faces Hard Season But Still Grabs Five S.C.A.L. Wins

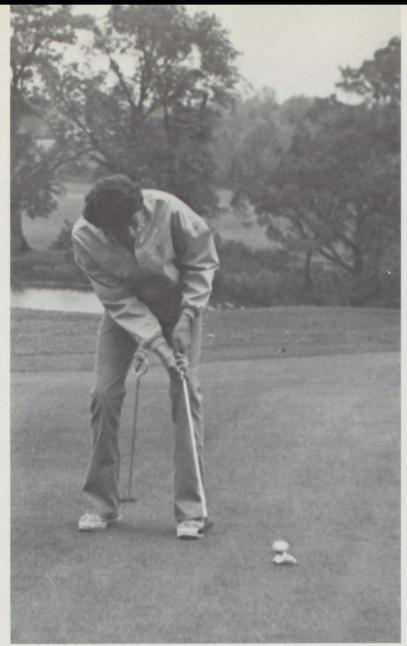

OPPOSITE PAGE: Freshman Brian McDougal, a J.V. golfer, narrowly misses a putt during practice. RIGHT: Freshman, Steve Peters, not only carries the clubs but also fills the fourth position on the varsity squad. BELOW: Sophomore, Joe Glombowski, and Team Captain, Carl Schultz, demonstrate the correct progression for a successful swing.

Our Golf team faced many difficulties this season. The team, with only one senior, had to fight to come up with a respectable 5-9 season. The introduction of the Tri-Meets gave the team opportunity to play each school twice. Only one player was a member of the Blavk River Country Club so year around practice was hard for the team members. According to Mr. Miller, this was one of the team's greatest handicaps. The team will be looking forward to next season, however, and the return of all the lettermen including Carl Schultz, this year's selection for most valuable Player.

Cheering For P.H.C. Is . . . Grrreat!

Above: Varsity Cheerleaders-Cheryl Simpson, Judy Clubb, Gwen McMillan, Gail Gross, Karin Maxfield, DeeAnn Moore, Mollie Chandler.

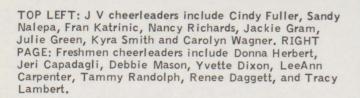

Top: Karin Maxfield and Mollie Chandler show their spirit at the basketball game. Above Right: Even the cheerleaders take part in Spirit Week---Gail Gross painted her face for Freaky Face Day. Above: Cheryl Cudlip shows enthusiasm and joy being a Varsity Cheerleader for P.H.C.

Being a cheerleader for P.H.C. can bring pain and joy at the same time. Staying after school almost every night to practice means missing out on a few things you might have had planned. But just knowing that you out of fifty or sixty girls made it to cheer for your school. Knowing that you are going to be at every game to support our team brings joy and happiness. This even means showing your school spirit even when you are bummed out. Cheering for P.H.C. is ... GREAT!!!

Freshmen Add A New Dimension To Cheering Squads At Central

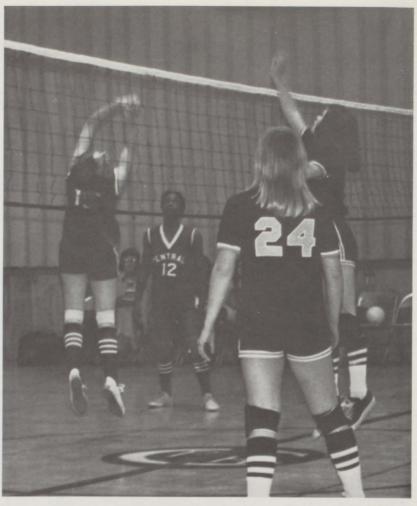

Rain, sleet snow, or hail can not keep the J.V. and Freshmen Cheerleaders from cheering. They have a tough job to do, but they get it done very well. It's not easy being a cheerleader, because they have to attend practices and then cheer at all the games. This is the first year for Freshman Cheerleaders. They had a rough starting, but they made it. The J.V. cheerleading sponsor is Mrs. Campbell and the Freshman sponsor is Mrs. Capadagli.

Volleyball Team Volleys To Win

As women's lib becomes stronger more sport activities are introduced for girls. This year a volleyball team came into being, making it possible for everyone to know what team work really is. Enough interest was shown to form both a J.V. and Varsity team. Hard work and a lot of practice went into making the teams what they were.
